

Bringing birthday celebrations to less fortunate kids in Manhattan

It's Not About Me This Year!

Instead of gifting me with a birthday gift, I would like to help give another child a birthday party! Consider making a birthday kit that I can donate to Birthday in a Box MHK (BiaBMHK)! A birthday kit would include: party plates, napkins, cups, forks, candles, balloons, streamers or birthday hats. BiaBMHK will add a coupon for a donated cake from Hy-Vee and a \$15 gift card to Target or Walmart. BiaBMHK will give the kit to another child in Manhattan that may not otherwise get to have a birthday party.

\$15 gift cards and/or monetary donations are also being accepted.
